NUTRITION AND HEALTH CLAIMS MADE ON PRODUCT

according to (EC) No 1924/2006 and (EU) No 432/2012

Product is: 1) Low in sugar, 2) Very low in salt, 3) High in fibre, 4) High in protein, 5) High in vitamin D, 6) High in vitamin E, 7) Source of omega-3 fatty acids, 8) High in unsaturated fat.
- Protein contributes to a growth in muscle mass and the maintenance of muscle mass and normal bones.
- Alpha-linolenic acid / Linoleic acid / Replacing saturated fats with unsaturated fats in the diet contributes to the maintenance of normal blood cholesterol levels [The beneficial effect is obtained with a daily intake of: 2 g of ALA / 10 g of LA; MUFA and PUFA are unsaturated fats; Oleic acid is an unsaturated fat].
- Reducing consumption of sodium contributes to the maintenance of normal blood pressure.
- Vitamin D contributes to normal absorption/utilisation of calcium and phosphorus, normal blood calcium levels, the normal function of the immune system, the maintenance of normal bones, muscle function and normal teeth and it has a role in the process of cell division.
- Vitamin E contributes to the protection of cells from oxidative stress.

PRODUCT PRODUCTION

The initially purified, dried and pasteurized organic hemp seeds are cold pressed. Because this concerns cold pressing, the outflow temperature is max. 40 °C. After oil is extracted, cold press-cake is mechanically grinded and sieved for finest protein particles. No thermal or chemical treatment involved. Produced in the Lithuania from 100 % hemp seeds organically grown in the Baltic States (Lithuania, Latvia, Estonia) without using any herbicides and pesticides or mineral manure. Test Samples of Metal Detector are: ø 2.0 mm ferromagnetic, ø 2.0 mm non-ferrous, ø 3.0 mm SS.

PRODUCT PACKAGING

Packaging Unit	1 × 20 kg
Gross Weight of Bag	not available
Packaging Type	vacuum sealed plastic bags filled with nitrogen gas, bags made from UV-protective food packaging material
Packaging measurement	not available
Packaging Units per Pallet	not available
Pallet Type and Size	euro standard, 1200×800
